Instructions: AVIC - HD1BT

Pairing Procedure

Before starting the pairing on this unit, make sure to active Bluetooth on the phone as described in the phone specific instructions in this manual and then follow the steps below.

To initiate the pairing from the Pioneer AVIC-HD1BT, do the following:

Long press [MENU] on AVIC-HD1BT to activate the phone menu and press [Phone Settings]
[Registration] [Navi]

Select Your Phone from the list. The Default Password to be typed on the phone is [1111], but you can edit this in the AVIC-HD1BT menu.

To initiate the pairing from the phone, do the following:

Long press [MENU] on AVIC-HD1BT to activate the phone menu and press [Phone Settings]
[Registration] [Phone] . Then proceed with the Pairing procedure described in the phone specific instructions in this manual. The Default Password to be typed on the phone is [1111], but you can edit this in the AVIC-HD1BT menu.

Phonebook Transfer Procedure

Before sending phone book entries from the phone, make sure to activate the [READ BUS. CARD] feature on the Pioneer AVIC-HD1BT as follows:

Long press [MENU] on AVIC-HD1BT to activate the phone menu and press [Phone Settings]
[Registration][Read Bus. Card].

Select either [Yes] or [No] to the question [Do you want to erase the phone book before receiving business cards] and send the Phone book entries from your mobile phone.

After activating the [Read Business Card] function, the Pioneer Unit will show "xxxx was disconnected" this is normal.

Voice Tags on AVIC-HD1BT:

AVIC-HD1BT features an advanced Speech Recognition engine and does not make use of the voice tags stored in the phone.

[Back to choosing brand of phone](#)

Instructions: AVIC - X1BT / AVIC-D3

Pairing Procedure

Before starting the pairing on this unit, make sure to active Bluetooth on the phone as described below and then follow the steps on this one.

To initiate the pairing procedure from the AVIC-X1BT / AVIC-D3, perform the following steps:

Press [TEL] on AVIC-X1BT / AVIC-D3 to activate the phone menu and press [A.MENU][FUNCTION TEL][PHONE CONNECT][SEARCH] Select the phone model number.

Password to be typed on the phone is [0000]

You need to Register the Phone after connecting by pressing [BACK] and [Phone register] and a long press on the preferred phone preset key.

To initiate the pairing procedure from the phone, perform the following steps:

Press [TEL] on AVIC-X1BT / AVIC-D3 to activate the phone menu and press [A.MENU][FUNCTION TEL][PHONE CONNECT][CONNECTION OPEN].

Now perform the pairing procedure on the mobile phone as explained in the phone specific instructions of this manual.

Password to be typed on the phone is [0000]

You need to Register the Phone after connecting by pressing [BACK] and [Phone register] and a long press on the preferred phone preset key.

Phonebook Transfer Procedure

Before sending phone book entries from the phone, make sure to activate the [PHONEBOOK TRANSFER] feature on the Pioneer AVIC-X1BT / AVIC-D3 as follows:

Press [TEL] on AVIC-X1BT / AVIC-D3 to activate the phone menu and press [A.MENU][PHONEBOOK TRANSFER].

The AVIC-X1BT / AVIC-D3 is now ready to receive the phone book contacts.

Now use your mobile phone to transfer the contacts to the AVIC-X1BT / AVIC-D3.

[Back to choosing brand of phone](#)

Instructions: AVIC – S1

Pairing Procedure
